

Infinity Support Services was established in 2011, and is a program management and technical support consulting company. We provide acquisition and procurement, engineering, product support and sustainment, as well as financial management, IT systems and networking, and operational logistics. Infinity is a Small Disadvantaged Business (SDB) and has been a designated Small Business Administration (SBA) Certified 8(a) Program Participant since July 2012. We have established ourselves as a highly-valued partner, having secured multiple large business contracts supporting Department of Defense (DoD) service programs. Our goal is to empower our customers to successfully complete their mission on a daily basis.
